# ***GCSS-AF Portal***

## ***What is the Portal?***

---

- GCSS-AF provides common services
  - Security, Messaging, Applications, and Data services
  - Reduced/Single Sign On to applications and information
    - vMPF, myPay, Tri-Care Online, Merlin, EDW, MP&E, AFEMS (plus more to come)
- AF-centric Information
  - Quality of Life – money, career, health, travel, life
  - Duty – Communities: Logistics, Maintenance, Supply, etc. for collaboration, info sharing, etc.
  - Automated current news -- Early Bird, AIMPOINTS, AF Link
- Personalization is key to portal power
  - Phase 1: Portal recognizes user – MAJCOM, Installation, workspace, other roles
  - Phase 2: Applications recognize user – notify when status changes or information is available (i.e. pay changes, housing list, new Tech Order, etc)

# ***GCSS-AF Portal Vision***
